S.C. Low Country Chapter

AMERICAN SOCIETY OF SAFETY ENGINEERS

December 2009 Newsletter

"Your Safety.....Our Profession"

http://www.lowcountryasse.org/

MESSAGE FROM THE PRESIDENT

As some of you already know, our Chapter was recognized in the local news recently. Rob Fowler from WCBD News 2 in Charleston attended our Toys for Tots presentation to the Marines on Tuesday, November 17. We donated 30+ toys, about half of which were bike helmets and/or knee and elbow pads plus a $200 donation from our chapter. He said this drive for bicycle safety supplies was great because they give away lots of bikes each year, but do not always have helmets to provide to the kids. He made an announcement and showed some footage during his weather forecast on the 5:30 news. (See picture last page of this newsletter.)

Thank you so much for making this drive a success!

The December meeting is coming up fast... The meeting will be one week early, due to the holidays.
Next Tuesday, December 8 we will be meeting at the HAmerican LaFrance Fire MuseumH in North Charleston at 11:30 am.
Come and join us for some BBQ from Jim & Nick's and a presentation by Harvey Jessup from the OSHA Office of Voluntary Protection Program. You can come in a little early or stay after the presentation to take a tour around the museum. And there will be a special little surprise for all our members who attend.

Jayne M. Carswell, CSP

Chapter Star
ASSE Chapter Recognition
2007-2008

Next Chapter Meeting

December 8, 2009
11:30am

***NOTE:* December Meeting at normal time**

Spring 2010 ASSE

Lowcountry PDC

Planning for the Chapter's Spring PDC has begun and we are **recruiting** volunteers for the PDC Committee.

Please contact Terri Sherrill PDC Chair: **Ph: 843-884-0005; Fax: 843-881-6149; Mobile: 843-991-8220;** tsherrill@smeinc.com

Please Support the Habitat for Humanity PPE Drive!

The Low Country Chapter has initiated a PPE drive to benefit our local Habitat for Humanity. If you have PPE (or a monetary donation to be used towards the drive), please contact Pat Rhea, CSP at 843-744-4261 (office) or 843-209-4934 (cell).

You can bring your donation to any Chapter meeting through February 2010. Pat is willing to make a pick-up at your site as needed.

Habitat for Humanity PPE needs, in order of preference are:

1. Safety Glasses
2. Gloves
3. Ear plugs
4. Tyveks.

SPY (Safety Professional of the Year)

Nominations Are Now Being Accepted

Nomination form is available at our website:

http://www.lowcountryasse.org/docs/Chapter%20SPY%20Guidelines.pdf

Please return competed form to:
